## ***The Detail Shop*** ***FULL DETAIL***

### **Professional Detail (Retail \$119.99)**

#### ***Corporate Rate \$89.99***

Our most popular detail package comes at an exceptional value. You'll receive a Touch-Less Car Wash before we remove all tar and grease, and steam clean all door jambs, rims, wheelwells and moldings. Locks and hinges will be lubricated. We'll dress all exterior moldings, bumpers and tires, and hand apply a premium wax. Wheel wells will be protected with Factory Black Undercoat. The interior of your car will also be treated to a deep cleaning. All glass will be polished, the interior and trunk will be thoroughly vacuumed, and we'll blow out all vents, crevices and dashboard gauges. Your carpet will be shampooed, as will all fabric seats. All leather will be deep cleaned and all interior vinyl, plastic and rubber will be deep cleaned and protected.

Professional Exterior Detail (Retail \$69.99).....**Corporate \$55.99**

Professional Interior Detail (Retail \$79.99).....**Corporate \$63.99**

### **Showroom Detail (Retail \$179.99)**

#### ***Corporate Rate \$139.99***

If showroom shine is what you're after, this package is for you. You'll receive all the services of our Professional Detail, plus additional products to further protect the investment you made in your vehicle. Blue Coral Sealtek Paint Sealant is applied as a professional barrier of protection against the elements. All interior fabric is treated with Delta Sonic's fabric protectant. Leather is cleaned, rejuvenated and protected with Lexol. Headliner fabric is cleaned and sanitized with a ThermoSteam process. Aquapel window treatment is applied to the windshield to repel rain, snow and sleet, and improve your vision while driving in hazardous conditions. Your trunk will also be shampooed and detailed.

### **Ultimate Detail (Retail \$299.99)**

#### ***Corporate Rate \$239.99***

This package is for the fussiest car connoisseur. Receive a Showroom Detail, plus Valugard's Warranty Paint Sealant and Fabric Protection. Our Ozone odor treatment will remove any lingering odors inside your vehicle. Your engine will also be steam cleaned and detailed to ensure that every inch of your vehicle shines, inside and out
